

MARINE BENEFITS

Go Cashless

Using our cashless system is the easiest and recommended way to use the medical plan. No need to make any cash advance and the bill is covered and taken care of by Marine Benefits.

Why cashless?

- No paperwork or documentation required
- No payment up front or waiting for a refund
- No local bank charges
- The hospital or clinic receives direct payment

To get started, log in to the portal or the mobile application to find your local hotline number. If you are unable to locate your hotline number, you can find the correct numbers and alternative ways to contact us at <https://www.marinebenefits.no/contact>. You can also message us through the chat function on our website 24/7.
